General Comment

You guys have already done sooooo much damage please do not mess with my retirement accounts. I pay no annual fees, \$5 on stock trades and \$1.50 per contract on option trades. There is no way that you will make any of that better for me.

If people don't bother to read the terms of the accounts they are agreeing to they deserve to lose their money. Let people be adults and don't try to babysit everything they do. You are not smarter than everyone else and we do not need your help!

Keep your money in the G fund and happy retirement to you.
